# Hog Wild Weekend

A brick warehouse in Milwaukee becomes an indoor wonder world of motorcycle craft and creativity at the **Mama Tried** show, Feb. 23-25, where 100-plus bikes from the Midwest and beyond are displayed in their custom-built glory. Many of the creators are on-site to talk shop. [mamatriedshow.com](http://mamatriedshow.com)

**PLAY** Squeeze in a nostalgia fix at the **Harley-Davidson Museum**. See motorcycle specimens from every decade this beloved brand has been in existence, and learn the story of Harley-Davidson's humble beginnings in a 10x15-foot woodshed. [harley-davidson.com](http://harley-davidson.com)

**EAT** The AAA One Diamond-rated **St. Paul Fish Co.** (◆) has the freshest fish and seafood on the Third Coast. The peri-peri mahi-mahi sandwich (besides being fun to say) is a spicy-hot standout sure to warm you up. [stpaulfish.com](http://stpaulfish.com)

**STAY** The AAA Four Diamond-rated **Iron Horse Hotel** (◆◆◆◆) has benches to kick off boots and hooks for riding leathers, but anyone can revel in the craftsmanship and industrial artifacts around every corner of this historic boutique hotel. [theironhorsehotel.com](http://theironhorsehotel.com)
